

Great news!

We offer secure online giving through eCatholic/BluePay
with your bank account or credit card.

You can use it to make **Offertory Donations, Building Fund donations, Faith Formation Fees, Youth Ministry Retreats** and more.

See directions below or email Kathy at Business@Ladyrosary.org
for more help.

Signing up for Online Giving is as easy as . . .

1. Visit Our Church Web Site at www.Ladyrosary.org
2. Click on the **GIVE** link
(Blue Bar across the top on the right side.)
It will bring you to the GIVE page for Offertory.
Choose 'One time" or "Recurring"
Enter the amount, Payment Information, Billing Information
and click "MAKE PAYMENT".
3. **Done! It's that simple!**

You can also choose **Building Fund** and the **Annual Pastoral Appeal** from the left side bar as well as various registration fees for children and youth programs.

There is no account to set up. No logins or passwords to remember. You can even access this from your smart phone!

If you choose recurring and want to cancel or change the amount, just send a quick email to Business@LadyRosary.org and we'll take care of it for you.

If you are using the original MyOwnGiving web site for online payments, we ask that you please make the change to the new site by the end of 2015 as we will be closing out that account. Make sure that you cancel that account before setting up with the new eCatholic Account.
