

A Time for Healing Worksheet

The ending of any marriage is a traumatic experience. The adjustments which follow can either be positive or negative; but always difficult. One of the ways the Catholic Church offers help to those who have gone through a divorce, is to achieve healing and closure through a Petition for a Declaration of Nullity of Marriage. To begin this journey of healing, please complete and return this worksheet in a sealed envelope to the parish office.

A Petition for a Declaration of Nullity of Marriage can take up to a year or longer from the time all paperwork and documents are submitted to the Tribunal. It is and remains the policy of the Tribunal, in the Diocese of St. Petersburg, not to accept a 'Petition for a Declaration of Nullity of Marriage' until one year has elapsed from the date the final divorce decree was granted. When two or more marriages have ended in divorce, whether in or outside the Catholic Church, it is the policy of the Tribunal not to accept these petitions until at least two years have elapsed from the date of the most recent divorce. (Since November 10, 1989)

If Catholic, you will need to obtain a **recently dated Baptismal Certificate with Notations** from the Catholic Church where you were baptized. The certificate must be dated in the last six months and carry a church seal. If any former spouse(s) was Catholic, please provide a recently dated baptismal certificate dated within the last six months with Notations. If not Catholic, a copy of your original baptismal certificate is sufficient.

REQUIRED DOCUMENTS:

All previous marriage(s) are submitted and reviewed at the same time to the Marriage Tribunal. Each marriage requires the following documentation:

- **Copy of Final Divorce Decree**
